

**WHAT THE !**

**YOU GUESSED IT, IT'S  
RANDOM BAND TIME**

Following on from the success of our last event we have

**S T R E T C H E D      O U R S E L V E S**

To bring you another Random bands at The Gov Front bar supported by Weekend Warriors Music Club SA. All welcome: Members and former members - have fun re-living your first Weekend Warriors experience. Guests and non-members – try out the Weekend Warriors experience playing in a band for fun.

**Random Bands** is as the name implies, “Random”. We don’t accept preformed bands; groups are formed solely on balance and mix of experience. We don’t stack all experienced players in one band - everyone gets a fair go. Mentors are appointed to each band but the bands organise themselves and their rehearsal spaces. 4-5 weeks of rehearsal is allowed before a celebratory concert at THE GOV on Saturday July 1<sup>ST</sup> 2017. The Gov gig is of Open Mic nature where all backline gear is provided. We are available to assist your band successfully being organised for the gig and where possible getting fill-in musos as the unavoidable sometimes happens.

Registrations close Thursday the 25<sup>th</sup> of May. Bands will be introduced to each other at an informal meeting on Tuesday 30<sup>th</sup> of May 2017 at The Gov where they will share contact details and meet the mentors who will guide them through the experience.

Approximately 5 weeks of rehearsal time will be available before the gig. Each band will showcase approximately 30 mins of material to the energetic crowd that frequents Random Bands and Weekend Warrior gigs.

Registrations are open now via the **Random Jam** registration page <http://sawarriors.org.au/random-bands-rego/>.

To help with the administration of Random Bands, registration for this event is open to all and the same cost as a Random Jam.

If you can’t make the band meeting don’t worry we can keep you in the loop and put you in contact with the rest of your band.
